Internship Program

Updated: 29 March 2011

ADB's vision is an Asia and Pacific region free of poverty. ADB welcomes motivated, open-minded and self-directed individuals to apply for internship assignments requiring further research and assistance, identified by Regional and Knowledge Departments in ADB. The Internship Program is a project-oriented learning opportunity for graduate candidates which offer widely-varied assignments year to year depending on business needs.

The program offers eligible candidates of member countries the opportunity to:

- i. work in a major international development organization;
- ii. work collaboratively with experienced professionals from over 50 different countries;
- iii. gain a deeper understanding of development finance and the impact of the work ADB does; and
- iv. contribute to ADB's business through research outputs.
